Parts Availability & Prices

Introduction

The Parts Availability & Prices transaction shows if there is currently enough inventory to cover your needs for the part number(s) that you are looking for. It will also provide pricing information.

How to access?

Log into BOSSWeb Click on the **Parts** tab Then, select **Parts Availability & Prices**

Complete the **Search Criteria** section (Product Line) and the **Part List** section (Part Number and Requested Qty.) and click on *Next/Submit.* You can add a line in the Part List section by clicking on the *Add* button.
